**Alanna Koch,
Sxsterhood Chair:**

Requirements fulfilled! We had a sxsterhood event watching Inside Out to promote self awareness in mental health.

**Tien Le,
Cultural Chair:**

We have completed all of our cultural requirements by attending a cultural event.

**Kristina Nguyen,
Fundraising Chair:**

We fulfilled all the requirements raising \$910 through selling snacks, bracelets and raffle tickets.

**Riane Songalia,
Captain:**

During spring break, I reminded the girls every day to send in videos of them doing our stroll, roll call, and step to ensure that no one forgot anything.

**Phoebe Wright,
Historian:**

I have continued recording and safely uploading pictures and videos. I created a private Google Drive folder only accessible to our class so that we can all share any pictures that we have on our personal devices.

**Karaline Xia,
Secretary:**

I have kept track of all our due dates for assignments with an updated calendar and taken notes at every event we have!

**Melody Sze,
Service Chair:**

We completed all of our hours at Grace Marketplace, Gainesville. It was a very fulfilling experience in which we had the opportunity to prepare and serve breakfast to residents of the homeless center.

POSITION UPDATES

FEBRUARY (P)HIGHLIGHTS

A new decade is upon us, and time has flown by for our Phi New Member Class. We took some time to reflect on some of our favorite moments of February. Here's to a full year of love, growth, and friendship.

TIEN

"Getting my big was definitely a highlight (love you, Jen!) and being able to spend time with my family over Spring Break!"

ALANNA

"My big! Ella is hands down one of the sweetest people I've ever met. She always knows what to say and makes me feel comfortable just being myself. She gives me both emotional support and brings me food!"

KRISTINA

"For spring break, I went to Palm Island! I loved being at the beach for a couple days with the warm sun hitting my skin and the soft sand underneath my feet. There, I found time to truly unwind."

RIANE

"My favorite thing in February was discovering mochi ice cream and getting to know my big!"

MELODY

"The big reveal! I LOVE YOU CINDY!"

KARI

"Going to Chuy's with my big! It was my favorite because I got to spend quality time with her!"

PHOEBE

"My birthday! Although it was during a busy time and I had made no plans for myself, I was surprised not once but twice. With both VSO board members and dancers, as well as my potential line sisters, big, and mom from aKDPhi, I was able to celebrate with those who mean the most to me."

Tien Le

Thank you for taking a chance and seeing potential in all of us. You all brought together a group of 7 people who were strangers. Now, these once-strangers are closer than ever before. Every week, you all continue to put your time and energy into helping us become better people. Thank you.

Riane Songalia

Thank you alumnae and actives for the support, trust, and dedication that they have put into this new member class. Without their support and encouraging words, I do not know how we would have been able to successfully accomplish all the things that we have accomplished already.

Phoebe Wright

Thank you alumnae and actives for all the time that you have given us and for seeing the potential within me and my potential line sisters. We have learned so much and we hope to not only make you proud, but to continue the growth both within aKDPhi and ourselves.

Alanna Koch

Thank you active sxsters, associates, affiliates and alumnae for all your time and support. I really admire how hard working all you all are and I aspire to be as resilient as you all. You are so greatly appreciated for all that you do.

Kristina Nguyen

Thank you to the actives for challenging us every week. You all are the main reason we have grown so much personally and professionally, and I thank you so much for that!

Melody Sze

Thank you for all of your support and faith in us throughout this process. I appreciate each and every one of you all as you guide us into this new area of growth. I am excited for you all to see our work and future development.

Kari Xia

Thank you actives, affiliates, and alumnae for believing in our potential! Your support and guidance means so much. Thank you for giving us this opportunity to grow and transform.
